

TRAIN THE TRAINER

Understanding the Principles and Practices of Assessment – Level 3 Award QCF

The Understanding the Principles and Practices of Assessment – Level 3 Award QCF is completely theory-based, and can be completed via a Virtual Learning Environment or it can be added to a number of our Train the Trainer courses.

Programme/Course Content

Candidates will only need to complete Unit 1 to achieve the minimum assessor qualification.

Unit 1 – D/601/5313 Understanding the principles and practices of assessment
Credit Value 3

Theory based module completed online through our Virtual Learning Environment

Aimed at: All trainers who require an assessing qualification, specifically First Aid trainers who by October 2015 will all require this qualification to work to teach and assess First Aid courses.

Accreditation: OFQUAL
