

TRAIN THE TRAINER

Dementia Care Train the Trainer Course

The Dementia Care Train the Trainer Course takes the teachings of a standard introductory course several steps further. Delegates will leave this programme with the certification, and the ability to deliver their own in-house training courses on the subject of dementia care and awareness.

Programme/Course Content

Level 4 accredited units in:

- Unit 1 - Understand the Process and Experience of Dementia
- Unit 2 - Understand the role of communication and interactions with individuals who have dementia
- Unit 3 - Understand the diversity of individuals with dementia and the importance of inclusion
- Unit 4 - Understand the administration of medicines to individuals with dementia using a person-centred approach
- Unit 5 - Understanding roles, responsibilities and relationships in education and training
- Unit 6 - Understanding and Using Inclusive Teaching and Learning Approaches in Education and Training
- Unit 7 - Understanding Assessment in Education and Training

Aimed at: Each of our courses can be tailored to meet your team's requirements, whether introductory, intermediate or advanced. We can design the ideal solution to accommodate your team's ability, knowledge, practical experience and previous training.

Accreditation: IQ
